

749 Felix Ave., Windsor, ON N9C 3K9

Canada South Science City is the region's hands-on, registered non-profit science centre, fostering the joy of science discovery and its applications in families, youth, and “children of all ages.” Our doors at the former Forster High School are not yet open to the public, but we are scheduling events there starting this summer, at the end of June 2017. In the meantime there are several other important events to note

Calendar of Special Events at Science City: 2017

<p>Thursday, March 23, at 7 PM in the Stephen and Vicki Adams Welcome Centre.</p>	<p>The rooms at Forster are not yet ready to host a free Science Café, but the Faculty of Science at the University is sponsoring a free talk that includes a previous Café speaker, Prof. Siyaram Pandey of the Department of Chemistry and Biochemistry, who with his colleague from the Department of Psychology, Dr. Jerome Cohen, will update their exciting research that targets neurodegenerative disease. Please RSVP by March 20 to Gemma Gray-Hall at gemmagh@uwindsor.ca or 519-253-3000 ext. 3957.</p>
<p>Sat., April 1, 9 AM to 3 PM CAW Commons</p>	<p>Windsor Regional Science Technology & Engineering Fair is being held at the University of Windsor this weekend. Science City will be giving away a couple of family memberships and will have a table set up in the CAW Commons area. See the many innovative exhibits and stop by for a chat!</p>
<p>Sat., April 22, 10 AM to 3 PM</p>	<p>March for Science on Earth Day! Science City will have a booth with games and information, and will contribute to the speeches. Start at Assumption Park on the riverfront just East of the Ambassador Bridge.</p>
<p>Friday, April 28, 6 PM (doors open at 5:30, meal at 6:30). Tickets \$50 per adult.</p>	<p>Earth Day Dinner returns to Science City. Join us at the St. Clair Centre for the Arts on Riverside Drive West for a fun evening of good food to celebrate the importance of science for a civil society. Kathleen Walsh, the Acting Executive Director of Evidence for Democracy will discuss her work in organizing the March for Science in Canada and its significance. Poster contest and silent auction, together with information on developments at Forster, will round out the evening.</p>
<p>May 13, Saturday 10 AM to 4 PM</p>	<p>Join us at Science Rendezvous in the University's Ambassador Auditorium for hands-on science activities.</p>
<p>July 3 to Aug 31, Mon-Fri 9 AM to 5 PM</p>	<p>Science City Day Camp at Forster. Explore the STEAM areas at your own pace with hands-on experiments. Discover and learn by doing in Science, Technology, Engineering Arts and Mathematics. Different themes each week. Designed for ages 5 to 12. Early drop-off and late pickup available.</p>
<p>July 24 to Aug 5</p>	<p>Power of Ideas exhibit from the Perimeter Institute. Also hands-on Actua workshops.</p>

Aug. 1, Tuesday	Celebrate Emancipation Day with the opening of the Elijah McCoy Exhibit and a reading of the play <i>The Real McCoy</i> by Andrew Moodie. Learn about this brilliant black inventor, who was born a few miles SE of Windsor in Colchester but struggled for recognition in spite of his many patents, some of which revolutionized steam engines and train travel.
	<i>Please return to these pages for updates!</i>

March 18, Wed. 7:30 PM	Science Café on Frankenfood and Frankenfolk: An Historical Assessment of the Development of GMO Food Technology , by <i>Dr. William Crosby, Department of Biological Sciences, University of Windsor</i> . A free public forum on science research and its importance in our lives, presented by well-known research scientists. Light refreshments.
March 28, Sat. 10 AM – 5 PM Free admission	Engineering Week free-admission day. Celebrate the importance of engineering in our lives sponsored by the Engineering Week Committee of Windsor. Special hands-on exhibits about light: wave and particle properties, sources, composition, and light technology.
April 26, Sun. 6 PM	The 10 th Earth Day Dinner , our annual fund-raising celebration. This year with Dr. Melanie Campbell discusses her exciting research on the optics of the eye that reveal pathologies of the brain. Earth day contest winners will also be awarded. Caboto Club, Windsor. MC is entertainer Paul Huschilt.
May 9, Sat. 10 AM to 4 PM	We have a table on light and optics at the Science Rendezvous . Learn about fibre optics, total internal reflection, persistence of vision, lasers. Celebrate the International Year of Light 2015.
May 20, Wed. 7:30 PM	Science Café. Dr. Denis Tetreault speaks on “Life in the Paleozoic: a trilobite’s perspective.” A free public forum on science research and its importance in our lives, presented by research scientists. Light refreshments.
June 6, 7 Sat.- Sun. 10 – 5 PM	Please visit us at Art in the Park. Science discovery for all on a small scale!
June 17, Wed. 7:30 PM	Science Café. Dr. Barbara Zielinski presents some of her interesting research. A free public forum on science research and its importance in our lives, presented by well-known research scientists. Light refreshments.
July 2 – Aug 28 9 AM – 5 PM Mon. – Fri. \$25/child/day	Summer Science Day Camp , designed for ages 5 – 12. Kids have fun discovering science through structured play. Early drop-off and late pickup available.
July 19, Sun. 10 AM – 3 PM	Visit our table at the Ford City Market, Drouillard Ave. at Whelpton.
July 22, Wed. 6:30 – 7:30 PM	Summer Science Soireé Series begins: interactive, informal talks about science by University students. Runs from July 22 – Aug. 26, 2015. Light refreshments. No admission charge but suggested donation of \$5 to cover costs. <i>Topic this week: Wonders of the Brain.</i>

July 29, Wed. 6:30 – 7:30 PM	Summer Science Soirée Series continues: interactive, informal talks about science by University students. Light refreshments. No admission charge but suggested donation of \$5 to cover costs. <i>Topic this week: Exercise Physiology.</i>
August 22, Sat. 10 AM to 3 PM	Visit our table at Ford City Summer Fun Day
August 22, 23 Sat – Sun 10 AM – 5 PM	Parkway Open House. Celebrate the opening of a large section of the new Herb Gray Parkway. Interactive exhibits show how the construction of the Parkway implemented design goals of reducing pollution and protecting habitats of wildlife. Thanks to support from the Ministry of Transport of Ontario, there is no admission charge this weekend!
Sept. 26, Sat. 11 AM – 5 PM	Visit our table at the Ford City Arts & Heritage Festival
Oct. 21, Wed. 7:30 PM	Our monthly Science Cafés begin this evening and continue on the third Wednesday of each month to June 2016. These are free public forums on science research and its importance in our lives, presented by well-known research scientists. Light refreshments. Visit www.cssciencecity.com or call 519-973-3667 for topics and location.
By appointment	Workshops (see on-line list) and Tutorials in Math & Science. We offer class workshops as well as individual and small-group tutorials in math and science, given by qualified university graduate students or upper-level undergraduates. Our workshops and tutorials build an understanding of concepts through hands-on problem solving.

More to come. Check back often to catch new events!
