

749 Felix Ave., Windsor, ON N9C 3K9

Canada South Science City is the region's hands-on, registered non-profit science centre, fostering the joy of science discovery and its applications in families, youth, and “children of all ages.” Our new location is the former Forster High School and renovations are still needed before general admission can be offered to the public, but we have important events there starting this summer. Don't miss the free **Power of Ideas** exhibit, and we are also offering an inexpensive **Science Summer Day Camp** starting at the end of July 2017 (see below).

Calendar of Special Events at Science City: 2017

<p>Thursday, March 23, at 7 PM in the Stephen and Vicki Adams Welcome Centre.</p>	<p>The rooms at Forster are not yet ready to host a free Science Café, but the Faculty of Science at the University is sponsoring a free talk that includes a previous Café speaker, Prof. Siyaram Pandey of the Department of Chemistry and Biochemistry, who with his colleague from the Department of Psychology, Dr. Jerome Cohen, will update their exciting research that targets neurodegenerative disease. Please RSVP by March 20 to Gemma Gray-Hall at gemmagh@uwindsor.ca or 519-253-3000 ext. 3957.</p>
<p>Sat., April 1, 9 AM to 3 PM CAW Commons</p>	<p>Windsor Regional Science Technology & Engineering Fair is being held at the University of Windsor this weekend. Science City will be giving away a couple of family memberships and will have a table set up in the CAW Commons area. See the many innovative exhibits and stop by for a chat!</p>
<p>Sat., April 22, 10 AM to 3 PM</p>	<p>March for Science on Earth Day! Science City will have a booth with games and information, and will contribute to the speeches. Start at Assumption Park on the riverfront just East of the Ambassador Bridge.</p>
<p>Friday, April 28, 6 PM (doors open at 5:30, meal at 6:30). Tickets \$50 per adult.</p>	<p>Earth Day Dinner returns to Science City. Join us at the St. Clair Centre for the Arts on Riverside Drive West for a fun evening of good food to celebrate the importance of science for a civil society. Kathleen Walsh, the Acting Executive Director of Evidence for Democracy will discuss her work in organizing the March for Science in Canada and its significance. Poster contest and silent auction, together with information on developments at Forster, will round out the evening.</p>
<p>May 13, Saturday 10 AM to 4 PM</p>	<p>Join us at Science Rendezvous in the University's Ambassador Auditorium for hands-on science activities.</p>
<p>July 30 to Aug 10</p>	<p>Power of Ideas exhibit from the Perimeter Institute. Visit this stunning hands-on exhibit from the Perimeter Institute and Ontario Science Centre about innovation in modern physics and astrophysics that changes our understanding of the Universe. There is no admission charge and parking is free. Exhibit entrance is from the parking lot behind the school. Designed for school-aged children through adults.</p>
<p>Aug. 1 to 25, Mon-Fri 9 AM to 5 PM</p>	<p>Science City Day Camp at Forster. Explore the STEAM topic(Science, Technology, Engineering, Arts, and Mathematics) at your own pace with hands-on experiments. Discover and learn by doing in Science, Technology, Engineering Arts</p>

	and Mathematics. Different themes each week. Designed for ages 5 to 12. Early drop-off and late pickup available. \$30/day.
Aug. 1, Tuesday	Celebrate Emancipation Day with the opening of the Elijah McCoy. Learn about this brilliant black inventor, who was born a few miles SE of Windsor in Colchester but struggled for recognition in spite of his many patents, some of which revolutionized steam engines and train travel.
