Job Posting Information

Job Type:	Summer Employment
Job Title:	Summer Camp/Farm STEM Exhibit Assistants
Job Location (City only):	Windsor
Job Location (Prov/State):	Ontario
Job Location (Country):	Canada
Salary:	\$11.40/hour
Job Category:	Scientific & Research
Job Description:	Summer Camp/Farm STEM Exhibit Assistants

- Hourly wage rate: \$11.40
- 2 Positions
- Start dates and duration: one position starting on or about June 15, 2017 for seven weeks and the second position starting on or about July 10, 2017 for seven weeks.
- 40 hours per week

The Summer Camp/Farm STEM Exhibit Assistants will assist in the summer science camps offered by Canada South Science City and take part in the development of an exciting new exhibit and demonstration project for an efficient indoor vertical farm that can provide safe, fresh, tasty, organic food year around, producing an acre’s worth of produce from an area no larger than a kitchen table. The exhibit provides hands-on learning about food science, nutrition, photosynthesis, water quality and the environment, and more.

The assistants will be responsible for:

1. Assembling, planting, growing, harvesting vertical farm under professional guidance
2. Testing and optimizing technical variables to maximize efficiency
3. Making presentations: explaining, running interactive workshops, including ones on nutrition and food preparation, fostering its potential application in relieving hunger and fighting poverty by low cost distribution of healthy, local, organic food and education (ability to present and respond in French highly desired).

Job Requirements:

Skills Required

- A current university or college student preferably studying science,
- Highly organized
- Exceptional communication skills, both verbal and written

To be eligible for this position through the Canada Summer Jobs initiative, you must:

1. Be between 15 and 30 years of age at the start of employment;
